

Philad^a W^{mo} 22nd 1845

Dear friend,

Wrote to you on Saturday ^{evening} ~~morning~~

that there would be a lot of china sent you
to day, but a larger full meeting of the
Fair Com^{rs} have decided not to, some hope
you will not be disappointed. They intend
holding a fair about August when the Annual
Meeting is held. If you have not told
any body that the china was to come it
will be secured, but if you have I fear
you may get into some difficulty.

We have wd more things to day & we
hope to clear abt \$1000!

Yours in great haste
with an anxious pen

Have you ever seen the German novel of "Joussant"
Turner has translated it & has left it to me
to read. The first 10 pages are very interesting
